

# How to participate

Thanks for your interest in taking part in the *Brits in the EU* project, and for taking the time to read this advice on submitting a video. The following gives you a few guidelines for preparing, recording and sending your clip(s), but if you have any further questions then feel free to contact me by email through [BritsInEU@aimlesswanderer.org](mailto:BritsInEU@aimlesswanderer.org) or through the project's [Facebook page](#).

To be part of Brits in the EU, record yourself answering the following questions as honestly and directly as you can, leaving a short pause between each answer so I can format the videos in a similar way to those you can see on the [Brits in the EU YouTube channel](#). If you prefer, you can record each answer as a separate video file.

## Questions:

- 1. Tell us your name, where you're from, where you live currently and what you do there.**
- 2. Why did you leave the UK and how did you get to where you are now?**
- 3. What influence has Britain's membership of the European Union had on your life?**
- 4. How do you think Brexit could affect you personally and are you doing anything to prepare?**

**Tips:** Keep your total speaking time to around 5 minutes. Sit/stand with a window or light behind the camera to illuminate your face, and either speak into the lens or towards a point on a wall, as if you were being interviewed. When you're happy with your clip(s), use [WeTransfer](#) or a similar file sharing site to send them to [BritsInEU@aimlesswanderer.org](mailto:BritsInEU@aimlesswanderer.org) – they'll probably be too big to email directly. It'd also be good to have half a dozen or so photos which I can use to illustrate your story. You can email them or send them through [Facebook](#). Any questions? Get in touch!

I'm looking forward to hearing your views and seeing your faces,

Adam R. Mathews
