

Making a difference

A lesson for Profitbricks

To access presentations of this and other lessons, including links to videos etc. go to <http://aimlesswanderer.org/teaching.html>

Make and do

■ a cake

■ the dishes

Which of these things do you *make* and *do*?

an appointment

the housework

the shopping

hay while the sun shines

a mistake

without sugar in your coffee

someone a favour

a good impression on someone

-do

A good impression

your best

inspirational things

What can you *make up* or *do up*?

You can find more exercises on *make* and *do* here:
<http://esl.about.com/library/vocabulary/blmakedo1.htm>

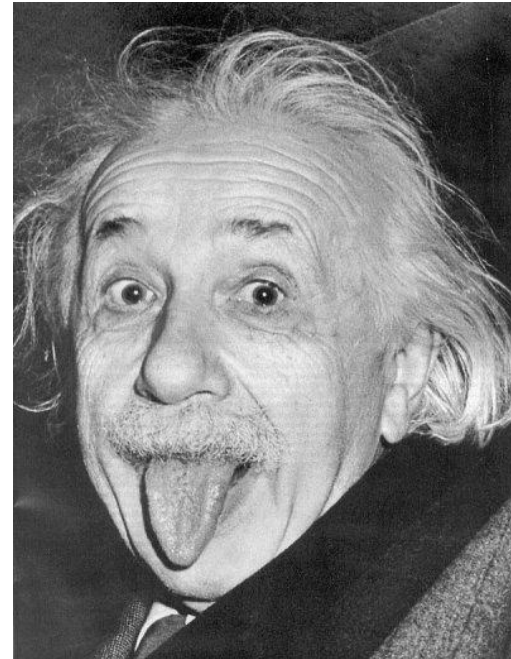

“Problems cannot be solved with the same mind-set that created them.”

— Albert Einstein

What problems does the world face and how urgent are they?

Think about:

- Environment
- Resources and Transport
- Economics
- Food Chains

Are there solutions to these problems?

You're going to watch a video which includes these terms. Brainstorm ideas of what it might be about

Bottom line

Seed-swap

Incredible Edible

Joined up

Awesome

Daunted

A heck of a Rollercoaster

A flipping Strategy Document

The TED talk is called 'How we can eat our Landscapes.' Watch it here ted.com/talks/pam_warhurst_how_we_can_eat_our_landscapes.html and answer these questions.

1. What is her name and where does she come from?
2. What has she done and how did they come up with the idea?
3. How do they feel towards tourists and what have they done for them?
4. How to they involve schools and students?
5. What did the farmers think and how did they change their minds?

Are there similar schemes you know of near you?

What can/do you do to make a difference?
